## ***WELCOME TO ELY PARK & 1933 GRILL***

Built in 1933 and perched above the valley just minutes from downtown Binghamton, Ely Park Golf Course has long been one of the region's most scenic and welcoming places to play. Generations of golfers have enjoyed its rolling terrain, well-kept fairways, and views that make every round memorable.

But Ely Park is about more than great golf.

It's about gathering with friends after a round, enjoying a great meal, sharing stories on the deck, and being welcomed by a team that takes pride in creating a relaxed and friendly atmosphere for everyone who visits.

At The 1933 Grill, we continue that tradition with fresh food, cold drinks, and a place where golfers, families, and friends can come together. Throughout the season, Ely Park also hosts a variety of events from golf outings and leagues to live entertainment and community celebrations, making it a destination for both great golf and great company.

Whether you're finishing a round, meeting friends for a bite, or visiting us for the first time, we're glad you're here.

Welcome to Ely Park.
